MEDIA ADVISORY

City of Falls Church Hosts 4th Annual Property Yard Open House

FALLS CHURCH, VA. - The City of Falls Church will host its 4th Annual Property Yard Open House on Saturday, May 20, 2006 from 8 a.m. to 1 p.m. The Property Yard is home to the City's Department of Environmental Services Operations Division, which is responsible for street and water maintenance and trash collection.

Staff from the Operations Division will conduct demonstrations and offer tours of the main building and warehouse. The City's biodiesel and green fleet will also be on display. Last month, the City of Falls Church converted to biodiesel fuel for use in all City diesel vehicles and equipment. Biodiesel fuel is now used in approximately 80 City vehicles, including school buses, fire trucks, refuse trucks, and other heavy-duty vehicles in the City's fleet.

There will be "kid-friendly" activities for the whole family to enjoy, including pictures on heavy-duty equipment. Refreshments and door prizes will be offered at this free event.
